### Rationale

'Religious Education is the first learning area in the Catholic school curriculum. This is so because, though a classroom activity, Religious Education is a form of the Ministry of the Word. Unlike the other Learning Areas, it is an activity of Evangelisation in its own right'.

- The Bishop is responsible for handing on the faith in his diocese and has the right and duty to oversee the Religious Education program and those appointed to teach it.
- 'The Religious Education program to be taught in the Catholic school is that promulgated by the diocesan Bishop. Like Christian witness and catechesis, Religious Education expresses 'the divine power of the Message'.
- The Religious Education program aims to help students learn the teachings of the Gospel as proclaimed by the Catholic Church and to develop a sense of the nature of Christianity and of how Christians are trying to live their lives. It seeks to show non-Christians something of the mystery of Christ.

### Definitions

Religious Education is a learning area which focuses on the knowledge and understanding of the Gospel as it is handed on by the Catholic Church.

Catechesis provides experiences which deepen faith; it is the lifelong apprenticeship in Christian formation. "The definitive aim of catechesis is to put people not only in touch, but also in communion and intimacy with Jesus Christ".
