Principal Report – P & F Meeting

7th June 2017

Prayer-prayer of thanks to parents, friends and teachers

Previous Actions

- We have sent out an App to parents about bringing raffle tickets back to school we will continue sending out information to parents so they can bring back tickets, sold and unsold.
- I spoke with Bree he is happy to run some more evenings for Dad's and the Football, he would rather not promote it but is happy to run it. Last time they had 6 dads turn up.
- I believe that after the AGM this year we hold a special meeting to discuss plans for all events to be held in 2018. We can hold it on a Wednesday night in keeping with P & F meetings.

Report

- Swimming Lessons have been going well, it is a shame it is held in the cold months of the year. We have contacted the pool but apparently all lessons will only take place in term 2 & 3 for all schools they will no longer hold any classes in terms 1 & 2. Our children have been well behaved which is great to hear.
- We sent out surveys to all families via email addresses we have, so that they could contribute to our school's climate. This survey will come to an end on Sunday 11 June, so if you have not had the opportunity to participate please do so before Sunday.
- Centurions has been very successful in our school this year. It has been exciting to see our children participating so well and getting fitter. This was a great initiative led by Bree Dudek and Kerry James and Cath Hancock and others. Last week we saw our first two students reach 100 laps this is a great achievement. We look forward to the cross country this year as I believed the centurions will have a huge impact on this carnival.
- Next week we have school photos, so we look forward to all our students being in full winter uniforms, this may be an excellent time to look at haircuts and correct uniforms. I am noticing that a few of our students have the long fringes and incorrect socks and shoes.
- We have the Eisteddfod in Bunbury next Friday, where our choir will be performing. If parents require seats they will need to purchase them quickly as they tend to sell out quite quickly. I look forward to hearing our children sing as they are amazing.
- On the 15 June, we have the State Director coming to the school to hold workshops with our students in Year 3 – 6 to look at assisting our creative thinkers and those who think outside of the box. Once again, we will be hosting the Opti Minds regional finals. This year we will be selecting three teams to compete in the finals.
