Dear Parents,

I am a strong advocate for the wearing of school uniforms. Our uniform looks great and we receive many positive comments about it. It is great that nearly all our students are able to wear their full uniform every day.

While I appreciate that there are times when children will be out of uniform, it appears we have a small number of students “electing” not to wear their correct uniform. We have noticed the wearing of the sport jacket instead of the jumper, socks that are not our school socks, fluoro laces, no school tie. I ask that parents please check their child’s uniform and ensure it is the correct uniform.

I would also ask that parents check their child’s uniform and clearly write their child’s name on each item. I have noticed that some children appear to have many hats that may not belong to them and ask that parents check hats and jumpers in particular. When lost property has a name on it we can ensure that the item is returned to that child.

Due to our no hat no play I am aware that some of our students have taken to borrowing hats from the lost property box then forgetting to return them. Please could you speak with your child and encourage then to find their own rather than taking a hat from the lost property box.

Thank you for your assistance in this matter.
