President's Report: Linda Bramley

We have had a busy few weeks! Our Groundsplash fundraising efforts have now come to fruition with the installation of the art works around the school. They look fantastic and we have all enjoyed seeing the children utilising them. Mrs Hancock has purchased some oversized dice to use with the snakes and ladders and dart board and is keen to teach the games to the students. We were very excited to upgrade our disco equipment in time for the upcoming disco on the 23/6 and look forward to planning the Fathers Day Stall in Term 3.

## General Business

- Mothers Day Stall

Thank you to Linda Bramley and her team of volunteers. The stall was a fun day and turned over a profit of approx. \$400. As we do not generally aim for profit/fundraising through the stall this was a great bonus of a successful day. Little gift buckets full of treats were a favourite and we were lucky to utilise some leftover items that were stored in the P&F shed from previous stalls.

- Term 2 Disco

Mr Graves has discussed new "Risk Assessment" protocols that will be required to be in place for the disco, as well as all future events. He will assist the P&F with sourcing the appropriate staff members and volunteers so that all guidelines can be adhered to for a safe and smooth running event. Thank you to the volunteers who have already offered their assistance, however the P&F still needs more support to make these events happen. We are looking forward to hosting the disco on the 23<sup>rd</sup> June with a junior and senior time slot and DJ Portolan giving his new equipment a run. Ashlee has arranged the purchase of sausages/buns for the BBQ and Josie will arrange the purchase of the kiosk items.

- CEWA Review

Correspondence through this month regarding an upcoming review of the school in week 3 of term 4. Mr Dudek is the contact for this and he will liaise with the P&F regarding our role in this.

- P&F Shed

Needs a spring clean! A brief stock take has been done and some old and expired items have been disposed of. The exec team will speak further about arranging a day where the shed can be accessed and tidied so that we have a clearer indication of what is being stored in there and to reduce the wastage of double up purchases for future events.

- Entertainment Books

Can still be purchased and funds from the purchase will still be forwarded to the school fundraising.

- Marquee

An update quote has been obtained from Promote You for the purchase of a new sports marquee using some of the profits from our footy tipping competition. All were in favour of a regular fully sublimated marquee – large 6x3 size. The marquee will be tailored to the school colours (Daniel to provide the artwork colour/font). Ideally, a school logo will be on the top tarp on the front/back will 'Leschenault Catholic Primary School' written across the valance. A shorted version of LCPS with a small logo on the short side valance if possible. All in favour of these designs. Motion passed. Josie to email Promote You and liaise to get this ordered as soon as possible
